QUARTZ

AUTOLACK

Our Clearcoat Range:

THE SAME as the expensive German brands.

Crystal Clear - Easy application medium // high solids, forgiving even for beginners. Fast air dry.

VOC Clear - Easy to use true high solids, great for ovens. A classic loved by all.

Liquid Glass - A super modern VHS clear.

One for the artisan connoisseur, a favourite amongst seasoned experts e.g. THE GUNMAN

Flash - Cutting edge premium, fast VOC clear. Spend a little more to save time & energy without medium to long term loss of gloss. A must for every forward thinking shop. Treat yourself & your customers.
