

The logo for the FLG-5 spray gun, featuring the text "FLG-5" in a bold, italicized font inside a metallic, rounded rectangular frame.

Advantage by. Design

The new FinishLine FLG-5 Spray Guns, give busy bodyshops more than just a competitive advantage, they're designed and built by DeVilbiss!

- General purpose spray guns for use with a wide range of automotive refinish paints and materials.
- A choice of gravity feed with a 1.4 mm fluid tip or suction feed with a 1.8 mm tip.
- FLG-5 employ DeVilbiss Trans-Tech® atomisation for paint saving efficiency, superb finishes plus compliance with EPA legislation.
- Ultra lightweight, strong, cast aluminium gun body.
- Either model is compressor size friendly and consumes just 277 litres/min (9.8 cfm) of air.
- Ergonomically shaped gun handle for balance, grip and comfort.
- Smooth action trigger and "in-line" air valve for exceptionally light pull and fatigue-free operation.
- Easy to use controls for spray fan, fluid flow and air inlet pressure.
- Precision engineered brass air cap and stainless steel fluid tips and needles for long service life.
- Alternative 2.0 mm tip & needle set-up available separately for the gravity gun.

A competitive gun for a competitive market!

FLG-5

While larger, high throughput bodyshops choose the DeVilbiss i-system, there are smaller bodyshops and workshops that require an affordable, efficient, general purpose spray gun - that's why DeVilbiss has launched the FLG-5 - providing DeVilbiss quality and design at the lowest possible price.

FLG-5 Specification

Air inlet Pressure	2.0 bar (29 psi) – Suction & Gravity
Air Consumption	277 l/min (9.8 cfm)
Air Inlet Thread	1/4" Universal
Cup Capacity	Gravity 560 mls; Suction 1140 mls
Weight (gun & cup)	Gravity 642 gms; Suction 934 gms

FLG-5 Part Numbers

FLG-G5-14	Gravity Gun & Cup Kit – No 5 Air Cap & 1.4 mm Fluid Tip
FLG-S5-18	Suction Gun & Cup Kit – No 5 Air Cap & 1.8 mm Fluid Tip

FLG-5 Replacement/Spare Parts

FLG-1-5	No 5 Trans-Tech Air Cap (Fits Gravity & Suction)
SGK-0023	Air Cap Retaining Ring
SGK-12-14	1.4 mm fluid tip for gravity gun
SGK-012-20	2.0 mm fluid tip for gravity gun
SGK-0014-18	1.8 mm fluid tip for suction gun
SGK-430-18	Fluid Needle (for 1.8 mm tip - Suction Gun)
SGK-420	Fluid Needle (for 2.0 mm tip - Gravity Gun)
SGK-414	Fluid Needle (for 1.4mm - Gravity Gun)
K-5030	Baffle Replacement Kit
K-5040	Repair kit - seals and springs - includes service tool
KGP-5-K5	Pack of gravity cup filters for KGP cup
MPV-60-K3	Male, quick detach, universal swivel - fits to gun air inlet
4900-5-1-K3	Pack of three cleaning brushes
KK-4584	Spray gun cleaning tool kit - purpose made brushes & tools
