Assembly Instructions & Parts List

No.	Description	Q'ty	Assembly Instructions
FMT600/A	Large Mesh Frame	1	1 Insert wheels into the large mesh frames, tighten centre bolt with a 13mm spanner.
FMT600/B	Large Open Frame	1	2 Place large mesh frame flat on the floor, using cardboard to protect the painted surface from scratching.
FMT600/C	Small Mesh Shelf Frame	1	3 Using the M8 Nylocs and M8 x 60 Bolts, secure the small shelves to the large mesh frame, ensuring that the mesh shelf will be at the bottom once placed upright.
FMT600/D	Small Open Shelf Frame	2	4 Once the shelves are fixed to the mesh frame, fix the open frame to the front using the remaining 6 Nylocs and Bolts.
FMT600/1	100mm Casters	4	5 Turn the Part Cart upright onto its wheels.
FMT600/2	Plywood Shelves	2	6 Place the 2 plywood shelves into the two open shelf frames.
M8X60	M8 x 60 Bolts	12	7 Once you are satisfied that all bolts and wheels are tightened fully your Part Cart is ready for use as above.
M8N	M8 Nylocs	12
