Frequently Asked Questions

> **What kind of liquids can I use with the Colad Pump Spray EPDM?**

>

Please check out the Resistancy list of chemical materials in order to choose the right type of Colad Pump Spray for your paint job.

> **What can I find in the Resistancy list?**

In the Resistancy list you find all kind of materials. Check the material for the pump spray can and for the pump spray seals. Both can be effected by chemical substances. Explanations markings in the list:

A = resistant

B = conditionally resistant

C = non-resistant

X = unknown, no data available

> **How do I know I have a Colad Pump Spray EPDM instead of the original Colad Pump Spray?**

Colad Pump Spray EPDM (art.no. 9705EPDM) with EPDM O-rings. Can be recognized by the complete "black" pump on the top + the internal seals also have a black colour
