Remarks

Now there is an easy way to spray and test for color accuracy of both water-based and conventional paint, by using Colad Metal Spray Samples.
Each spray sample features of black stripe to indicate the degree of the colors' opaqueness.
On the backside of the Metal Spray Sample is enough space to note down the color number and further information on the corresponding vehicle or color.
Keep your hands clean when spraying our Metal Spray Samples by using the Colad Magnetic Spray Sample Holder.
