

EVERCOAT®

BODY FILLERS

PREMIUM BODY FILLER

Formulated with the finest quality resin for added performance characteristics

- Sandability
- Mixing and leveling
- Speed of cure

Formulated with ZNX-7 for superior adhesion to all metal substrates

RAGE® ULTRA

*Fills like a filler,
finishes like a putty*

#104125

#101341

World's best premium sanding body filler

Modern substrates require new technology. Evercoat, the leader in innovation, has moved into the future of panel repair. Rage Ultra is formulated with the latest technology to repair both old and new substrates.

- Apply directly to abraded OEM clearcoat - maintain OE corrosion protection
- Excellent for aluminium & galvanised repairs
- 30% easier to sand and material removal than other premium fillers
- Contains Evercoat exclusive **ECORESIN™**, a renewable technology

RAGE® GOLD

*Self leveling filler with excellent
vertical hold*

#104168

#104106

- Creamy formula is easy to mix and spread
- Superior adhesion and featheredging on all metal substrates and abraded OE coatings
- Contains Hattonite™, a unique ingredient which reduces heat and friction created by aggressive sanding

PERFORMANCE BODY FILLERS

Formulated with a unique blend of conventional and premium resins to provide the following characteristics

- Excellent adhesion to all metal substrates and abraded OE coatings
- Easy mixing and leveling
- Easy to sand and contour

Z-GRIP®

Excellent vertical hold over larger repairs

#104167

#101667
