

Multi-Purpose Belt

Guide on how to assemble the brace to the multi-purpose belt

**STEP 1: DRAG BRACE LOOPS**

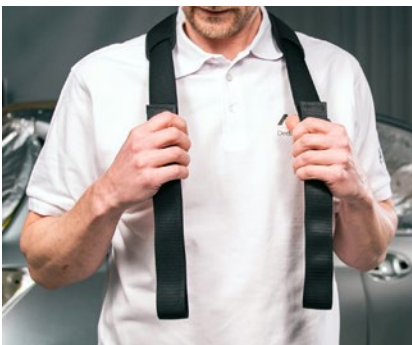

Drag the two brace-loops through the multi-purpose belt

**STEP 2: LOOSEN STRAPS**

Loosen the straps to pull them past the pockets.

**STEP 3: TIGHTEN STRAPS**

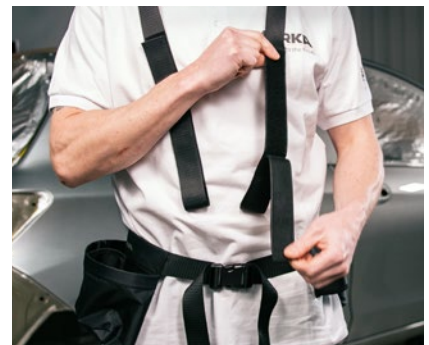

Tighten the straps in the middle part of the belt.

**STEP 4: LIFT BRACE ON SHOULDERS**

Lift the shoulderstraps on your shoulders and straighten them.

**STEP 5: TIGHTEN THE BELT**

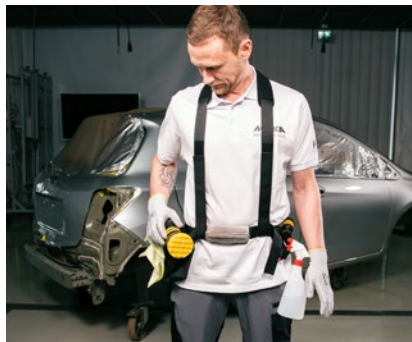

Attach the belt around your waist and tighten it.

**STEP 6: ATTACH BRACE TO BELT**

Open the front end part of the brace and attach around the front part of the belt.

**STEP 7: APPLY COVER**

Apply the belt clip cover.

**STEP 8: READY**

Ready to use

**NEW! CHANGES MADE TO THE BELT**

A large pocket and a hook to put things hanging in for a while, to get hands free.
