

# Colad SNAPLID<sup>®</sup> SYSTEM

**You're serious  
about painting**

we get that.

Let's make it **simple**:

**MIX**

**SNAP**

**GO!**

[snaplid.com](http://snaplid.com)

## Simple. Mix, Snap, Go!

### Lay it on thick

or thin.

Use any type of paint.  
4 different types of filters.

90 micron  
**Clear  
Coat**

130 micron  
**Waterborne  
Base Coat**

190 micron  
**Conventional  
Base Coat**

280 micron  
**Primer**

### Connect any spray gun

let's find your adapter.

Use the adapter tool on: [snaplid.com](http://snaplid.com).

**Large cup**  
900 ml / 30.4 fl oz.

Up for a big  
challenge.

**Standard cup**  
700 ml / 700 ml UV  
25 fl oz.

Perfect for your  
regular gig.

**Medium cup**  
350 ml / 11.8 fl oz.

Excellent for  
smaller jobs.

**Small cup**  
88 ml / 3 fl oz.

Great for  
spot repair.

## Size does matter!

## Save

Use your mixing cup  
as a paint cup to save  
on time and material.

Our unique  
vented system helps  
you to save paint.

## Save material

save one cup, every job.

You use one cup for mixing and painting. Unlike other systems that require various steps that slow down the paint process, Colad Snap Lid System® is quick to use. Snap the lid on the mixing cup and go. The math is easy: save material by using one less cup, every job.

Don't waste a thing with  
the **Snap Lid System®**.

## Save paint

use every last drop.

Make optimal use of your time.  
Our unique vented system gives you the ability to work  
neater and with a stable, consistent paint flow.  
Less paint is wasted, use less to create more!

## Save time and money using the Snap Lid System®.

Let's stay in the flow with the **Snap Lid System®**.

## Consistent paint application

the perfect system for paint to flow through.

With a unique valve and built-in strainer you'll have no more issues with inconsistent flow and sputtering output. Only stability!

For:

- all types of paints.
- small and big jobs.
- any spray gun.

# Flow

*Superior spray performance with our unique vented-system.*

*Optimized filter for every paint job.*

*The best paint flow.*
