Remarks

The Colad Nylon Spray Coats are designed to protect the painters body and head from getting in touch with light overspray during painting. The Nylon Spray Coats are 100% dust- and lintfree and therefore suitable for a clean paint process. The Coats are provided with a cap to protect the painters hair. Sleeves fit closely around wrists, this offers the user excellent protection. The front of these coats are fastened with a durable zipper that can be opened from both sides.

Spray Coat is not protecting hands, feet or face, therefore other protective wear is required.
