Color:	Grey with Colad print / non-see-through
Features:	Dust free, lint free, silicon free
Packing:	One piece in a plastic bag, labeled with size indication and barcode

Remarks

The Colad BodyGuard® Undershirt is ideal to wear under your Colad BodyGuard® Paint Suit. The tight fit provides maximum comfort, even over the course of a full day's work. The breathable material keeps you cool in summer and warm in winter, and guarantees optimum freedom of movement. Meanwhile, the carbon in the material gives the shirt anti-static properties that prevent it from sticking to your body or paint suit. The shirt absorbs sweat and expends excess heat as required. In contrast to regular cotton or nylon, this fabric does not attract dust. You can choose between a sleeveless version and a version with short sleeves depending on your surroundings.
