## Fine Dust Masks

**Protect yourself with the comfortable Fine Dust Masks!**

These Colad filtering half masks are designed to effectively retain dust particles in suspension, mist and smoke. They are very light, weight comfortable to wear and offer a very low resistance to breathing. They have an adjustable nose clip for a comfortable fit. They come with elastic head bands and have soft inner material. The exhalation valve offers greater comfort during the working day in humid environments and/or where the work rate is elevated.

Do not use the mask for more than 8 hours.
