User manual

Rub a small amount of hand cleaner into dry hands until dirt loosens. Rinse with water. Dry hands well.

Remarks

This powerful Colad hand cleaner is especially developed for quick removal of daily soiling. It easily removes soiling like grease, ink, adhesive and paint. It has a pleasant smell, moisturizes the hands and prevents skin irritation. Much content of 3.8 liter and with the mounted pump, ready to use!

Related products of Colad

Article number: 8236

Description: Skin Care Cream bottle 250 ml.

Prevents the skin from drying out, moisturizes the skin and protects against the damaging effects caused by extreme working conditions. Frequent use (daily is recommended) helps the skin to recover, leaving it smooth and supple.
