RESPIRATORS  
A1P3 / A2P3

# RESPIRATORS A1P3 AND A2P3

The Colad Respirators offer optimal protection against the dangers of isocyanate, paint or organic vapor inhalation. They also protect the user from dust particles. The masks have a perfect fit around the nose and mouth and have adjustable straps for extra comfort.

## Benefits:

- Compact design offering a wide visual field
- Made of hypoallergenic thermoplastic
- Large diameter exhalation valve for optimal exhalation
