

**TECHNICAL SHEET**  
**PPM40 – Rubber spreader**

**Materials**

100% pvc plastic particles

**Applications**

Rubber spreader made from flexible, sturdy rubber, ideal for removing sludge created when sanding or for applying glazing putty and plastic filler to repair surfaces. Our spreader wipes away excess material so that you can get a better view of the work surface. It also helps smooth body filler and glazing putty that is being applied.

**Color**

Blue

**Packing**

20 pieces / box

**Product Size**

10.5x7.3cm
